Pararēkau Island offers a peaceful, almost resort-like setting — surrounded by harbour views, native bush, walking tracks, and a private gated community, it feels far removed from the city.

What makes it especially attractive is that despite the island setting, it's still very practical: only a few minutes to the Southern Motorway, close to Karaka's cafes, schools, and everyday amenities.

Our Tongariro Ready to Build plan is an architecturally designed home with a feature facade that provides an elegant, modern first impression. This luxury plan offer four bedrooms, two living areas, two bathrooms and two separate toilets.

An entertainers dream with open plan living downstairs providing a spacious kitchen and dining area. The Tongariro provides a warm environment for all to enjoy maximising the indoor-outdoor flow onto the two outdoor living areas.

This plan would suit Lots 73-80 - speak with your New Home Consultant for further information.
